**Workforce Services Policy – Equipment Requests Southwest LWDB - WIOA (16-1)**

**Subject:**

Equipment Request Guidelines

**Purpose:**

The purpose of this memorandum is to issue a policy for the purchase of new equipment that is an allowable and reasonable cost to be used in SOUTHWEST LWDA.

**Instructions:**

Effective immediately, the following procedures will be adhered when requesting the purchase of new equipment that will be utilized in SOUTHWEST LWDA:

A request (see attached blank equipment request) for any new equipment with a cost greater than \$100 will be sent to Nashville, along with three bids/quotes, for approval before any purchase is made. The following questions will be answered accordingly and sent along with the request:

- 1) Were price quotations completed and provided in order to show cost comparisons with other vendors?
- 2) Please provide justification as to where the equipment will be placed.
- 3) Is the equipment within the request(s) going to be used by the staff, career center resource room, other; please specify?
- 4) What contract(s) will be used to support the purchase of the equipment and is funding adequate?
- 5) Is the equipment replacing current equipment that will be/or has been removed from inventory? If so, please provide a listing of the equipment that has been/ or will be removed (description and tag numbers will suffice).
- 6) If computers are being purchased. What is the current computer/printer replacement policy for your area (# of years recommended before new computers can be replaced)?
- 7) How does the purchase of this equipment fit into the scope of service for the specified contract/program?

Once letter of approval is received from Nashville, equipment will be ordered. When equipment arrives, a request for tag form (see attached) will be sent to Nashville. When tags are received, they will be placed on equipment items and inventory list will be updated accordingly.
