References: Section 641.565(a)(2) of SCSEP Final Rules; Workforce Services Policy – SCSEP Participant Wage TN-WIOA (16-7)

Background:

As stated in Section 641.565(a)(2) of the SCSEP Final Rules, “the highest applicable wage for SCSEP participants is either the minimum wage applicable under the Fair Labor Standards Act of 1938; the State or local minimum wage for the most nearly comparable covered employment; or the prevailing rate of pay for persons employed in similar public occupations by the same employer.”

Policy:

SOUTHWEST Tennessee LWDB will follow the policy that each SCSEP participant will be paid the Federal minimum wage (currently \$7.25) per hour while actively participating in SCSEP.

Action:

SCSEP participants will submit timesheets bi-weekly and will be reimbursed for hours worked during the pay period at minimum wage (currently \$7.25) per hour.

SCSEP is a training program and therefore, participants are not considered employees of sub-grantee or their Host Agency while participating in the program and will not receive any benefits. Unallowable costs under SCSEP are as follows:

- Compensation or payment for unused benefits such as sick leave or holidays
- Payment into a retirement system
- Cost of pension benefits
